REPORT OF THE BOARD FOR THE YEAR ENDED 31 MARCH 2023

The Board presents its report and the financial statements for the year ended 31 March 2023.

Legal Status

The Association is registered with the Financial Conduct Authority as a Co-operative and Community Benefit Society (No 2525RS), the Scottish Housing Regulator as a registered social landlord (No. HAL301) under the Housing (Scotland) Act 2010 and as a registered Scottish Charity with the charity number SC035819.

Principal Activities

The principal activities of the Association are:

- The provision and management of housing for rent.
- The provision of services to owner-occupiers where the Association either factors property or has a relationship with an owner by virtue of the Association's previous role as Feu Superior.
- Delivering under contract, the Care and Repair service for Renfrewshire, East Renfrewshire and Inverclyde Local Authorities.
- The provision of a Supported Housing Service to older and or vulnerable tenants living in the Association's Sheltered Housing.

Charitable Objects

Bridgewater Housing Association Limited has been formed for the benefit of the community. Its charitable objects focus on the provision of housing and related services for people who are in need of our housing and services.

Permitted Activities

The Association's permitted activities and powers include anything which is necessary and expedient to help us achieve our charitable objects but we will also:

- Have regard for the requirement of public accountability;
- Use any money we receive carefully and properly; and
- Consider the welfare of the people who live in the properties we own.

Review of the Business and Future Developments

We have survived COVID-19 and the challenges that this brought, now being exacerbated by the cost of living and energy crises, which have worsened the social-economic inequalities that exist for our customers and across wider society. With new leadership within the Association, we have been focussing on continuing to provide high-quality services whilst undertaking a business planning review which resulted in the development of a new business plan for the Association and a proposed new staffing structure. We must now focus our strategy to both build on what the pandemic and financial crises have taught us about our resilience, capability and capacity as an organisation, but also help improve the ongoing financial situation of the tenants we serve as a social landlord and other customers as care and repair agent and factor.

Our community activities included funding, supporting and accessing a range of initiatives during 2022/23 including financial assistance for those affected by the energy crises, tenancy support services, energy advice and various funds applied for specifically related to the financial and energy crises – the Social Housing Fuel Support Fund and the Supporting Communities Fund. Our staff reacted to the needs of the communities and highlighted access to the various initiatives and funds on offer.

In May 2022 Bridgewater opened their doors fully with no appointment required which really did feel like we were returning to a pre-pandemic situation. We were keen to send a message out that we were here for people and while precautions were still required, there was and is no reason why we cannot openly engage with customers.

We launched our customer portal "MyBHA" in December 2022 which allows tenants and owners to fully access and manage their accounts with the Association including checking balances, making payments, reporting repairs or completing general tenancy request forms. Look out for improvements to this service in the coming years which will allow the Association to provide a fully 365-day 24/7 service to our customers.

Also, during 2022 the Board carried out a review of the Association's services and office accommodation and took the decision that we would reluctantly have to leave Bridgewater Shopping Centre as the office accommodation was no longer suitable for our needs. The Association will shortly confirm plans for relocation to nearby office space.

Repairs and Maintenance

Although lockdowns were now over, the financial crisis had an impact on material costs and availability of repairs contractors which meant we were forced to continue to restrict some of our maintenance activity, but a great deal was still completed in the last financial year. During the year our main contractor terminated their contract which led to the contract being retendered to another contractor – Consilium who terminated the contract just a few months later. Board took the decision to use smaller, local contractors for a period of 12 months until we could assess the operational market whilst continuing to provide uninterrupted services to our tenants.

As well as this there has been huge investment carrying out other replacements and improvements across our housing stock, including – Kitchens 42 homes Radiators and Pipework 0 homes Boiler replacements 5 homes Full Community Alarm System Upgraded – 26 homes Bathrooms 7 homes Windows 2 homes Full rewiring 3 homes Medical Adaptations 14 homes Painterwork 34 homes & 46 closes Electrical Installation Checks 180 homes Smoke Detector Upgrades 145 homes

The above work alone was at a cost of £449,236.88.

Housing Management

The Association's arrears increased during the financial year with gross rental arrears sitting at 3.4%. This is against a backdrop of the cost of living and energy crises impacting our tenants' incomes and the restrictions implemented by the Scottish Government on rent increases and legal action.

Over the year, 71 properties were relet, with the average time to re-let properties reducing significantly from the previous financial year to 63 days, meaning that our rent loss from voids also reduced to 1.32%. However, this is still higher than we would like, and a proposed restructuring of staff and system improvements will focus on improving performance in these areas of the business.

Landscape Maintenance

The quality of landscape maintenance throughout 2022/23 has continued to be of a high standard. Challenges arising from the cost of living crisis and the availability of landscaping contractor staff did impact on the programme, however, disruption was kept to a minimum due to our intensive contract monitoring processes.

Factoring

Bridgewater provides a factoring service to 2,686 house and flat owners in Erskine. House owners receive an annual bill for maintenance to common areas such as landscaping, car parks, footpaths and common retaining/boundary walls. The Association has been investing heavily in the factoring service over the last financial year including the introduction of the MyBHA customer portal. Owners will hopefully see this investment bear fruit over the coming years.

Care and Repair

Care & Repair has during 2022/23 again shown impressive performance levels with completion levels exceeding overall targets. All three funding local authorities are delighted with output. Last year saw the completion of a 12 month negotiated extended contract with Renfrewshire and East Renfrewshire Councils, who have entered into another 12 month agreement, as well as the completion of year 2 of the contract with Invercelyde Council, who have utilised the option to extend for a further 2 years.

Governance

The Association is regulated by the Scottish Housing Regulator and managed by a voluntary elected Board of Management. The Board is supported by the work of both internal and external auditors. The Board is charged with overseeing the management of the Association and monitoring its financial and non-financial performance.

Our 4th compliant Assurance Statement was delivered supported by self-assessment detail against the regulatory standards of governance and financial management, and the annual review of our Board Members. The Board invest their own time to commit their skills, experience, and knowledge to ensure that the governance of Bridgewater is robust and that there is a clear strategic direction for the Organisation. This is all in a voluntary capacity and working on behalf of the members, they ensure that Bridgewater is well managed and controlled and delivering the necessary outputs required and in compliance with legislative and regulatory standards.

The Association was deeply saddened to announce the sudden passing of former Chairperson and Board Member, Hugh Cameron; Hugh was a well-known and highly respected figure in the voluntary housing movement in Scotland, he was first elected to our Board of Management in 2012 and was a regular attendee at conferences and seminars representing the Association with assurance. The Board and staff send our condolences to Hugh's family and many friends.

Looking ahead

In May, our longstanding Chief Executive, Ian McLean retired from his role at the Association. Ian was replaced by Andy Thomson, who was appointed following an extensive options appraisal and recruitment process and comes from Cloch Housing Association in Greenock. In addition, our Head of Technical Services, Gary Stapleton also retired from the Leadership Team; he was replaced by Steven Ferrie, our new Head of Property Services.

Significant time and resources were spent by staff and the Board in developing our new business plan for 2023-2028. To deliver this plan we will need to work with our tenants and customers, colleagues, partners and other stakeholders. We will continue to protect the financial strength of the Organisation and ensure it is stronger for the future, despite the challenges the current cost of living crisis and recession may present.

Board and Executive Officers

The members of the Board and the Executive officers are listed on page 1.

Each member of the Board holds one fully paid share of £1 in the Association. The Executive Officers hold no interest in the Association's share capital and, although not having the legal status of directors, they act as executives within the authority delegated by the Board.

The members of the Board are also trustees of the charity. Members of the Board are appointed by the members at the Association's Annual General Meeting.

Statement of Board's Responsibilities

The Co-operative and Community Benefit Societies Act 2014 requires the Board to prepare financial statements for each financial year that give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that period. In preparing those financial statements the Board is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Association will continue in business; and
- prepare a statement on internal financial control.

The Board is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to: ensure that the financial statements comply with the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2019. It is also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. It is also responsible for ensuring the Association's suppliers are paid promptly.

The Board must in determining how amounts are presented within items in the Statement of Comprehensive Income and Statement of Financial Position, have regard to the substance of the reported transaction or arrangement, in accordance with generally accepted accounting practices.

Going Concern

Based on its budgetary and forecasting processes the Board has a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future; therefore, it continues to adopt the going concern basis of accounting in preparing the annual financial statements.

Statement on Internal Financial Control

The Board acknowledges its ultimate responsibility for ensuring that the Association has in place a system of controls that is appropriate for the business environment in which it operates. These controls are designed to give reasonable assurance with respect to:

- the reliability of financial information used within the Association, or for publication;
- the maintenance of proper accounting records; and
- the safeguarding of assets against unauthorised use or disposition.

It is the Board's responsibility to establish and maintain systems of internal financial control. Such systems can only provide reasonable and not absolute assurance against material financial misstatement or loss. Key elements of the Association's systems include ensuring that:

- formal policies and procedures are in place, including the ongoing documentation of key systems and rules relating to the delegation of authority, which allow the monitoring of controls and restrict the unauthorised use of Association assets;
- experienced and suitably qualified staff take responsibility for important business functions and annual appraisal procedures have been established to maintain standards of performance;
- forecasts and budgets are prepared which allow the leadership team and the Board to monitor key business risks, financial objectives and the progress being made towards achieving the financial plans set for the year and for the medium term;
- quarterly financial management reports are prepared promptly, providing relevant, reliable and up to date financial and other information, with significant variances from budget being investigated as appropriate;
- regulatory returns are prepared, authorised and submitted promptly to the relevant regulatory bodies;
- all significant new initiatives, major commitments and investment projects are subject to formal authorisation procedures, through the Board;
- the Board receives reports from management and from the external and internal auditors to provide reasonable assurance that control procedures are in place and are being followed and that a general review of the major risks facing the Association is undertaken;
- formal procedures have been established for instituting appropriate action to correct any weaknesses identified through internal or external audit reports.

REPORT OF THE BOARD (continued) FOR THE YEAR ENDED 31 MARCH 2023

The Board has reviewed the effectiveness of the system of internal financial control in existence in the Association for the year end 31 March 2023. No weaknesses were found in the internal financial controls which resulted in material losses, contingencies or uncertainties which require disclosure in the financial statements or in the auditor's report on the financial statements.

Disclosure of Information to the Auditor

The members of the Board at the date of approval of these financial statements have confirmed, as far as they are aware, that there is no relevant information of which the auditors are unaware. They confirm that they have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditors.

Auditor

A resolution to reappoint the Auditors, Alexander Sloan, Accountants and Business Advisers, will be proposed at the Annual General Meeting.

By order of the Board

Heather Stirling

Heather Stirling Secretary 23 August 2023

REPORT BY THE AUDITORS TO THE MEMBERS OF BRIDGEWATER HOUSING ASSOCIATION ON CORPORATE GOVERNANCE MATTERS

In addition to our audit of the financial statements, we have reviewed your statement on page 8 concerning the Association's compliance with the information required by the Regulatory Standards in respect of internal financial controls contained in the publication "Our Regulatory Framework" and associated Regulatory Advice Notes which are issued by the Scottish Housing Regulator.

Basis of Opinion

We carried out our review having regard to the requirements to corporate governance matters within Bulletin 2006/5 issued by the Financial Reporting Council. The Bulletin does not require us to review the effectiveness of the Association's procedures for ensuring compliance with the guidance notes, nor to investigate the appropriateness of the reason given for non-compliance.

Opinion

In our opinion the Statement of Internal Financial Control on page 8 has provided the disclosures required by the relevant Regulatory Standards within the publication "Our Regulatory Framework" and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls and is consistent with the information which came to our attention as a result of our audit work on the financial statements.

Through enquiry of certain members of the Board and Officers of the Association and examination of relevant documents, we have satisfied ourselves that the Board's Statement on Internal Financial Control appropriately reflects the Association's compliance with the information required by the relevant Regulatory Standards in respect of internal financial controls contained within the publication "Our Regulatory Framework" and associated Regulatory Advice Notes issued by the Scottish Housing Regulator in respect of internal financial controls.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BRIDGEWATER HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023

Opinion

We have audited the financial statements of Bridgewater Housing Association Limited (the 'Association') for the year ended 31 March 2023 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Cash Flows, Statement of Changes in Equity and related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 March 2023 and of the surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Co-operative and Community Benefit Societies Act 2014, the Housing (Scotland) Act 2010 and the Determination of Accounting Requirements 2019.

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Board's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Association's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Board with respect to going concern are described in the relevant sections of this report.

Other Information

The Board is responsible for the other information. The other information comprises the information contained in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BRIDGEWATER HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023 (continued)

Other Information (Contd.)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Co-operative and Community Benefit Societies Act 2014 require us to report to you if, in our opinion:

- proper books of account have not been kept by the Association in accordance with the requirements of the legislation;
- a satisfactory system of control over transactions has not been maintained by the Association in accordance with the requirements of the legislation;
- the Statement of Comprehensive Income and Statement of Financial Position are not in agreement with the books of account of the Association; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the Board

As explained more fully in the statement of Board's responsibilities as set out on page 5, the Board is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Board determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BRIDGEWATER HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023 (continued)

The extent to which the audit was considered capable of detecting irregularities including fraud Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we gained an understanding of the legal and regulatory framework applicable to the Association through discussions with management, and from our wider knowledge and experience of the RSL sector;
- we focused on specific laws and regulations which we considered may have a direct material
 effect on the financial statements or the operations of the Association, including the Cooperative and Community Benefit Societies Act 2014 (and related regulations), the Housing
 (Scotland) Act 2010 and other laws and regulations applicable to a registered social housing
 provider in Scotland. We also considered the risks of non-compliance with the other
 requirements imposed by the Scottish Housing Regulator and we considered the extent to
 which non-compliance might have a material effect on the financial statements;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the Association's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in Note 1 were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reviewing the minutes of meetings of those charged with governance;
- enquiring of management as to actual and potential litigation and claims;
- reviewing the Association's Assurance Statement and associated supporting information; and
- reviewing correspondence with the Scottish Housing Regulator.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BRIDGEWATER HOUSING ASSOCIATION LIMITED FOR THE YEAR ENDED 31 MARCH 2023 (continued)

The extent to which the audit was considered capable of detecting irregularities including fraud (Contd.)

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the Board Members and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. The description forms part of our audit report.

Use of our Report

This report is made solely to the Association's members as a body, in accordance with Part 7 of the Cooperative and Community Benefit Societies Act 2014. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS

1. PRINCIPAL ACCOUNTING POLICIES

Statement of Compliance and Basis of Accounting

These financial statements were prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Statement of Recommended Practice for social housing providers 2018. The Association is a Public Benefit Entity in terms of its compliance with Financial Reporting Standard 102, applicable for accounting periods beginning on or after 1 January 2019. They comply with the Determination of Accounting Requirements 2019. A summary of the principal accounting policies is set out below.

Revenue

Revenue comprises rental and service charge income receivable in the period, sales of properties built for sale, other services provided, revenue grants receivable and government grants released to income in the period.

The Association recognises rent receivable net of losses from voids. Service Charge Income (net of voids) is recognised with expenditure as it is incurred as this is considered to be the point when the service has been performed and the revenue recognition criteria is met.

Government grants are released to income over the expected useful life of the asset to which they relate. Revenue grants are receivable when the conditions for receipt of the agreed grant funding have been met.

Retirement Benefits

The Association participates in the Scottish Housing Association Pension Scheme (SHAPS), a multiemployer defined benefit scheme. Retirement benefits to employees of the Association are funded by the contributions from all participating employers and employees in the Scheme. Payments are made in accordance with periodic calculations by consulting Actuaries and are based on pension costs applicable across the various participating organisations taken as a whole. The Association accounts for this scheme as a defined benefit pension scheme in accordance with FRS 102.

Going Concern

On the basis that the Board has a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future, the Association has adopted the going concern basis of accounting in preparing these financial statements.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (continued)

1. PRINCIPAL ACCOUNTING POLICIES (continued.)

Housing Properties

Housing properties are held for the provision of social housing. Housing properties are stated at cost less accumulated depreciation and impairment losses. Cost includes acquisition of land and buildings and development cost. The Association depreciates housing properties over the useful life of each major component. Housing under construction and land are not depreciated.

Component	Useful Economic Life
Land	Not depreciated
Structure	50 years
Kitchens	15 years
Bathrooms	30 years
Central heating boilers	15 years
Central heating radiators and controls	30 years
Windows and doors	25 years
Eectrical rewiring	25 years
Roofs	40 years
Lifts	25 years

Depreciation and Impairment of Other Tangible Assets

Non-current assets are stated at cost less accumulated depreciation. Depreciation is charged over the expected economic useful lives of the assets at the following annual rates:

Asset Category	Depreciation Rate
Leasehold improvements	Over remaining life of lease
Office equipment	20%
Fixtures and fittings	15%
Computer equipment	33.3%
Motor vehicles	25%

The carrying values of non-current assets are reviewed for impairment at the end of each reporting period.

Social Housing Grants and Other Capital Grants

Social housing grants and other capital grants are accounted for using the Accrual Method as outlined in Section 24 of Financial Reporting Standard 102. Grants are treated as deferred income and recognised in income on a systematic basis over the expected useful life of the property and assets to which they relate.

Social housing grant attributed to individual components is written off to the statement of comprehensive income when these components are replaced.

Although social housing grant is treated as a grant for accounting purposes, it may nevertheless become repayable in certain circumstances, such as the disposal of certain assets. The amount repayable would be restricted to the net proceeds of sale.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (Continued)

1. PRINCIPAL ACCOUNTING POLICIES (continued.)

Taxation

The Association is a Scottish Charity and is not liable to taxation on its charitable activities.

Leases

Costs in respect of operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term. Assets held under finance leases and hire purchase contracts are capitalised in the Statement of Financial Position and are depreciated over their useful lives or the term of the lease whichever is shorter.

Works to Existing Properties

The Association capitalises major repairs expenditure where these works result in an enhancement of economic benefits by increasing the net rental stream over the life of the property, a material reduction in future maintenance costs, or a significant extention of the life of the property.

Capitalisation Of Development Overheads

Directly attributable development administration costs relating to ongoing development activities are capitalised.

Borrowing Costs

Interest incurred on financing a development is capitalised up to the date of practical completion of the scheme. All other borrowing costs are expensed to the statement of comprehensive income using the effective interest rate method.

Property Development Cost

Property developments that are intended for resale are included in current assets until disposal.

Financial Instruments - Basic

The Association classes all of its loans as basic financial instruments including agreements with break clauses. The Association recognises basic financial instruments in accordance with Section 11 of Financial Reporting Standard 102.

The Association's debt instruments are measured at amortised cost using the effective interest rate method.

Cash and Liquid Resources

Cash comprises cash at bank and in hand, deposits repayable on demand less overdrafts. Liquid resources are current asset investments that cannot be disposed of without penalty and are readily convertible into amounts of cash at their carrying value.

Impairment

The Association assesses at the end of each accounting period whether there are indications that a noncurrent asset may be impaired or that an impairment loss previously recognised has fully or partially reversed.

Where the carrying value of non-current assets is less than their recoverable amounts the shortfall is recognised as an impairment loss in the Statement of Comprehensive Income. The recoverable amount is the higher of the fair value less costs to sell and value-in-use of the asset based on its service potential.

Impairment losses previously recognised are reversed if the reasons for the impairment loss have ceased to apply. Reversals of impairment losses are recognised in the Statement of Comprehensive Income.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (continued)

. PRINCIPAL ACCOUNTING POLICIES (continued.)

Key Judgements and estimates made in the application of Accounting Policies

The preparation of financial statements requires the use of certain accounting judgements and accounting estimates. It also requires the Association to exercise judgement in applying the accounting policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements are disclosed below.

Key Judgements

a) Categorisation of Housing Properties

In the judgement of the Board the entirety of the Association's housing stock is held for social benefit and is therefore classified as Property, Plant and Equipment in accordance with FRS 102.

b) Identification of cash generating units

The Board considers its cash-generating units to be the schemes in which it manages its housing property for asset management purposes.

c) Financial instrument break clauses

The Board has considered the break clauses attached to the financial instruments that it has in place for its loan funding. In their judgement these break clauses do not cause the financial instrument to be classified as a complex financial instrument and therefore they meet the definition of a basic financial instrument.

d) Pension Liability

The Association participates in a defined benefit pension scheme arrangement with the Scottish Housing Association Pension Scheme. The fund is administered by the Pensions Trust. The Pension Trust has developed a method of calculating each member's share of the assets and liabilities of the scheme. The Association has decided that this method is appropriate and provides a reasonable estimate of the pension assets and liabilities of the Association and has therefore adopted this valuation method. Judgements relating to the benefits issue are included in Note 26.

e) Concessionary Loan

Concessionary loans are recognised in the Statement of Financial Position at the amount paid or received.

Estimation Uncertainty

a) Rent Arrears - Bad Debt Provision

The Association assesses the recoverability of rent arrears through a detailed assessment process which considers tenant payment history, arrangements in place and court action.

b) Life Cycle of Components

The Association estimates the useful lives of major components of its housing property with reference to surveys carried out by external qualified surveyors.

c) Useful life of properties, plant and equipment

The Association assesses the useful life of its properties, plant and equipment and estimates the annual charge to be depreciated based on this assessment.

d) Defined pension liability

In determining the value of the Association's share of defined benefit pension scheme assets and obligations, the valuation prepared by the Scheme actuary includes estimates of life expectancy, salary growth, inflation and the discount rate on corporate bonds.

Loans are secured by specific charges on the Association's properties. All of the Association's bank borrowings are repayable on a quarterly basis with the principal being amortised over the term of the loans. Interest is payable at fixed rates of 1.08%, and 1.09% and a variable rate of 2.99% which produce a weighted average of 1.71%.

The concessionary loan from HEEPS is repayable on a monthly basis over a 10 year term and has been offered at nil interest.

The concessionary loan from the Scottish Government is repayable annually over a 5 year term and has been offered at nil interest.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (continued)

17. RETIREMENT BENEFIT OBLIGATIONS

Scottish Housing Association Pension Scheme

Bridgewater Housing Association Limited participates in the Scottish Housing Association Pension Scheme (the Scheme), a multi-employer scheme which provides benefits to some 150 non-associated employers. The Scheme is a defined benefit scheme in the UK.

The scheme is subject to the funding legislation outlined in the Pensions Act 2004 which came into force on 30 December 2005. This, together with documents issued by the Pensions Regulator and Technical Actuarial Standards issued by the Financial Reporting Council, set out the framework for funding defined benefit occupational pensions schemes in the UK.

The last valuation of the Scheme was performed as at 30 September 2021 by a professionally qualified actuary using the Projected Unit Credit method. The market value of the Scheme's assets at the valuation date was \pounds 1,173m. The valuation revealed a shortfall of assets compared with the value of liabilities of \pounds 27m (equivalent to a past service funding level of 98%).

The Scheme operates on a 'last man standing' basis, meaning that in the event of an employer withdrawing from the Scheme and being unable to pay its share of the debt on withdrawal, then the liability of the withdrawing employer is reapportioned amongst the remaining employers. Therefore in certain circumstances the Association may become liable for the obligations of a third party.

At the year end total factoring arrears owed by owner occupiers on the Board (and their close family) were £nil (2022 - £228).

Members of the Board who are tenants	5	5
Members of the Board who are owner occupiers	1	2

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023 NOTES TO THE FINANCIAL STATEMENTS (continued)

26. CONTINGENT LIABILITY

We were notified in 2021 by the Trustee of the Scheme that it has performed a review of the changes made to the Scheme's benefits over the years and the result is that there is uncertainty surrounding some of these changes. The Trustee is seeking clarification from the Court on these items, and this process is ongoing with it being unlikely to be resolved before the end of 2024 at the earliest. It is estimated that this could potentially increase the value of the full Scheme liabilities by £27m. We note that this estimate has been calculated as at 30 September 2022 on the Scheme's Technical Provisions basis. Until the Court direction is received, it is unknown whether the full (or any) increase in liabilities will apply and therefore, in line with the prior year, no adjustment has been made in these financial statements in respect of this.
